THE DISCIPLESHIP PROCESS

Spend time reading the verses and discussing the discipleship process shown below. The purpose of this exercise is to gain a greater picture of the discipleship process, and be able to assess where an individual may be in order to best help them grow as a disciple maker! Begin by reviewing the Great Commission in Matthew 28:18-20.

Questions to Consider:

- Where are you in this process? Why would you say so?
- What is one thing you could do to grow in the stage you're in?
- What would be the result of skipping a stage in this process?
- Is there someone God is asking you to begin to disciple? Where would you say they are on this process?
