

PRAYER MAP

Why should we spend time praying for other people?

- We have uninterrupted, unlimited access to the Father through Jesus. (1 John 2:1; Hebrews 7:25)
  What is an advocate? How is Jesus our advocate? How can we advocate for others?

- God wants us to approach Him. (Hebrews 4:16; Psalm 25:14)
  If you truly believed God wanted you to approach Him, how would that change your prayer life?

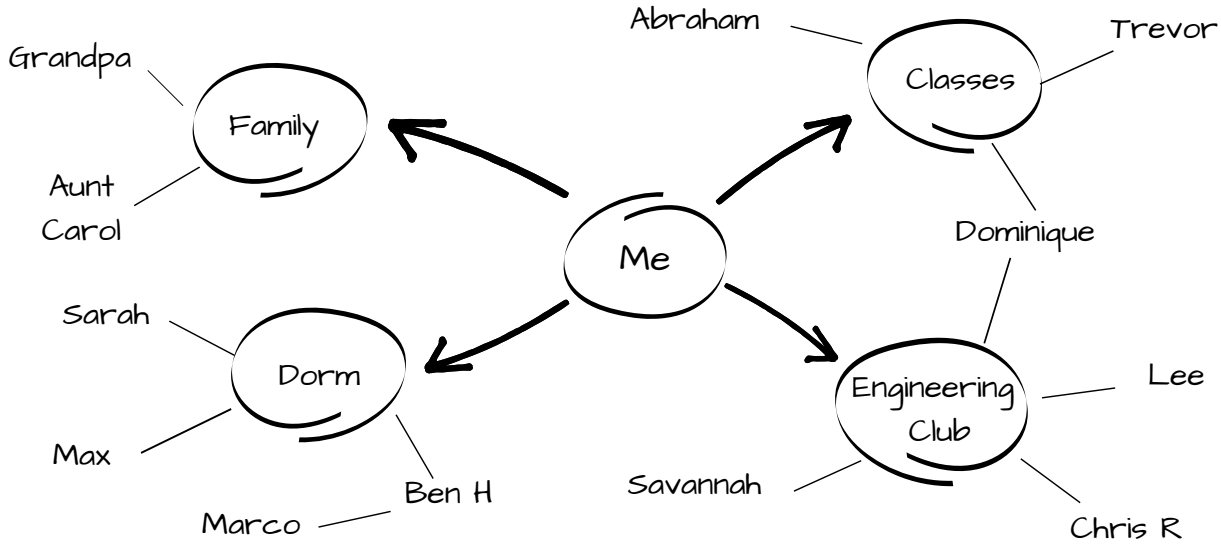

- The work of transforming people's lives is not difficult; it's impossible. (Matthew 19:26)
  When we try to do the work of God without prayer, what does that reveal about our heart?

God has a reason for where He has placed you. Who in your life can you impact for the sake of Christ?
A prayer map keeps our mind focused on the people God has placed around us and reminds us to intercede for them every day.

Create Your Own Prayer Map

1. Begin by writing your name in the middle and drawing a circle around it.
2. Think of the contexts you have around you to meet other people. This could be things like: Neighborhood/Dorm, Work, Class, Church, Family, etc.
3. Write in names of people you know from each of these spheres who do not know Jesus yet. As you meet new people, keep adding them to the map.
4. Put this prayer map where you will see it often and start by praying for 2-3 people each day.
