

THE WORD HAND

The Word Hand illustration is an easy- to-remember tool highlighting five methods of learning from the Bible. Use it for your own spiritual growth and to share with someone else.

1 HEARING
the Word from pastors and teachers provides fresh insight into the Scriptures. The weakest finger—the pinkie—represents hearing, because we retain only 5 percent of what we hear. *Romans 10:17*

2 READING
gives us an overview of the Bible and is the foundation of a daily quiet time. This is represented by the ring finger. We generally retain 15 percent of what we read. *Revelation 1:3*

3 STUDYING
the Scriptures deepens our convictions. It requires greater time and effort but results in increased Bible knowledge. Most people retain 35 percent of what they study. This is represented by the middle finger. *Acts 17:11*

4 MEMORIZING
God's Word enables us to use the Sword of the Spirit to overcome temptations and to have verses readily available for ministering to others. The index finger, our strongest finger, represents memorization. We remember 100 percent of what we memorize if we consistently review it. *Psalm 119:9–11*

5 MEDITATION
is the inward process that accompanies each of the other four methods of Scripture intake. This is why meditation is assigned to the thumb. Only the thumb can touch all the other four fingers. By meditating on God's Word as we hear, read, study, and memorize, we discover its transforming power at work in us. *Psalm 1:2,3*
